

Hello, my name is Robert Robertson. I have 15 years experience in the oilfield industry but due to recent slowdowns I am seeking new employment.

Please find my resume attached, I am open to any positions for which I may be considered. Please contact me at 832.444.8284 or via email robertguyrobertson@gmail.com.

Thank you for your time.

Robert G. Robertson

Experienced, motivated individual seeks meaningful employment in the energy industry

OBJECTIVE

Employment in the oil & gas industry resulting in mutually beneficial working relationship between myself and a prospective employer with room for growth and advancement.

SUMMARY

I have 15 years of field experience in the well servicing side of the oil & gas industry. I am currently seeking employment with service related companies that will allow me to utilize my knowledge and talents in a way that allows me to grow professionally while benefiting my employer .
