Objective I am a college student eager to use my strong customer service experience and communication skills to provide outstanding service. I am interested in obtaining a position or internship that will allow me to develop new skills and complement my studies and to progress in a professional setting.

Education Henderson High School Graduate; Henderson, TX 2010-2014

Experience Hospitality Ambassador, Denny's Restaurant December 2013 – March 2014
Responsibilities included: greeting and seating guests, taking and delivering food, receiving payment for the cashier and making correct change, helping keep restaurant clean, completing side work and organizing supplies as needed. Recognized for having a guest-first attitude, responding to guests and coworkers in a timely, in a courteous and respectful way, and providing total guest satisfaction.

Host and Caterer, Cotton Patch Cafe May 2013 – December 2013
Responsibilities included: welcoming guests, monitoring dining sections, estimating times for guests and ensuring the needs of guests are met while they wait. Also responsible for answering telephones, booking reservations and setting up and serving private parties.

Cashier, Kroger June 2012 – November 2012
Job functions included: tendering transactions in a quick efficient manner, maintaining a clean and organized workstation and providing excellent customer service to ensure customer's return visit.

Skills I have customer service experience, which has helped me to develop strong interpersonal skills. I always conduct myself with the utmost professionalism. I am a confident communicator, which allows me to clearly provide information and interact with customers in a friendly manner. I have worked in and participated in team environments for more than 5 years, which supports me in working well with others. I am able to manage my time and work without supervision.
