---

### PROFILE

Dynamic career reflecting diligent record-breaking performance in solution sales and management. Facilitating lead generation and account penetration while working harmoniously with a team of inside sales and operations, has created a path for such success. Possesses the ability to identify customer opportunities and link both soft and hard costs/value benefits back to their business objectives, creating long-term client relationships.

---

#### Executive Armory, LLC

(February 2013 - Present)

#### NRA instructor certified in the discipline of Basic Pistol, and Krav Maga instructor

Currently teaching our women's self defense classes, CCW and rape prevention seminars. Using a straight-forward and simple teaching method, to direct, effective strategies and techniques to convey self defense methodology.

---

#### Grand Slam Sports, Webster Groves, MO

(March 2013 – August 2013)

#### Commercial Account Manager/Radio Personality

Hunted, closed and created commercial advertising for both 1380AM & 590AM radio. Wrote and pitched tailor-made advertising spots, mentions, commercial copy, and promotional packages. Performed as "Tawn the Huntress" weekly on 590AM's Smash & Twist show.

#### Key Achievements

- Closed over \$50k in the first month exceeding three-month quota by \$10k and continued to exceed monthly quota every subsequent month.

---

#### Netelligent Corp., Chesterfield, MO

(April 2011 – February 2012)

#### Commercial Account Manager / Small-Medium Business Account Manager

Recruited from Commercial Accounts to Small-Medium Business Accounts to improve conversion rate of prospects to first-time appointments. Job role became entirely focused on hunting for new accounts through discovery of SBOs, MBOs, and technological needs.

#### Key Achievements

- Exceeded sales team weekly quota for First Time Appointments (FTA) by more than 100% after designing and implementing a 4-stage approach to marketing new prospects.
- Created a 98% increase in the SMB team's prospect-to-appointment conversion ratio by implementing cold calling strategies.
- Utilized my extensive knowledge of complex sales processes to obtain signatures on Purchase Agreements, Letters of Intent, and Scopes of Work for the entire small business team.

---

#### Sage Innovations, Chesterfield, MO

(Nov 2009 – May 2011)

#### Account Manager

Built territory from 100% net-new accounts exceeding quota by 60% within first two months of hire date.

#### Key Achievements:

- Boosted overall company sales by 85% in the first seven months of employment by redefining target markets, and developing comprehensive branding and pricing strategies.
- Closed largest healthcare industry virtualization/disaster recovery/managed services deal of the company's fiscal year.

- 
- Effectively established alliances with vendor partners while securing company-wide vendor accreditation in order to maintain service level by completing necessary training certifications prior to completion dates.

*"Tawn's work was always professional and of the highest quality, she has outstanding character, communication skills, work ethic, and professionalism" Dr. David L. Weinstein, Consultants in Women's Healthcare, Inc.*

---

### **TOA Technologies, Beachwood, OH**

(April 2008 – May 2009)

#### **North American Account Executive**

Sold a complex multi-year sales process of over \$10 million exclusively to executive-level decision-makers while working harmoniously with a team of inside sales, professional services, legal and financial advisors in order to close deals.

#### **Key Achievements:**

- Creatively designed prospecting and marketing campaigns securing 100% of accounts through full cycle sales strategy into executive-level decision makers.
- Exceeded monthly prospecting and sales presentation quotas by 39%, without exceeding travel/expense budget.
- Secured signatures on Letter of Intent five months ahead of schedule

---

### **Softchoice, Inc. (formerly Software Plus, Ltd.), St. Louis, MO**

(June 2007 – April 2008)

#### **Enterprise Inside Sales Account Manager**

Early career includes inside sales experience with two large technology resellers exceeding monthly sales quota targeting both Small-to-Medium Business and Commercial accounts.

#### **Key Achievements:**

- Exceeded monthly Inside Sales Account Manager quota by 50% while working as a contractor.
- Retained position with company post-buyout after working as a contractor for three months.
- Promoted to Enterprise ISAM from Small/Medium Business Accounts ISAM five months earlier than standard company protocol
- Consecutively exceeded monthly hardware and software margin quotas by 50% or more.
- Increased revenue generation 82% in three months. Immediately resolved long-standing deterioration of customer relationships, thus transforming an under-producing small business outside sales team.

*"Tawn has two skills I find rare in experienced sales reps, let alone new reps: (1) She is a fearless cold caller--never any hesitation to pick up the phone and chase down new business. (2) She is better at getting around gatekeepers than any junior rep I've ever met. She gets appointments where other reps get voicemail." Trey Dowell, Sr. Business Development Manager, Software Plus*

---

## **COMMUNITY**
