OBJECTIVE

Dedicated, multi-skilled, self-motivated person seeking a career as a welder. Looking to grow my one year of Flux Core welding experience. Desire a Welder position at the Product Enhancers. Offering excellence in working in the development arena along with excellence in performing welding work.

PROFILE

100005866391602@facebook.com

EDUCATION

- * H'S Diploma - Mustang High School, 2000 - 2004
- * Prerequisites - Oklahoma City Community College, 2004 - 2005

WORK EXPERIENCE

PERMIAN TANK MFG - 07/2012 - 07/2013

as Welder

Flux Core (FCAW) Welding.
Welded in all positions and in confined spaces.
Prepped material before welding, typically beveling and buffing.
Fitted and fabricated.
Daily use of a cutting torch, plasma cutter, buffer, and grinder.
Maintained a clean work environment.
Followed all safety measures set forth by both OSHA and Permian Tank MFG.

DON BATES HOMES - 11/2013 - 02/2014

as Assistant

Started a small remodeling business with my father.
Most work consists of repainting, minor wall repairs, replacing fixtures, latex painting, and cabinet staining and finishing.
Planned work and determined appropriate tools and equipment.
Processed work orders and prioritized jobs.
Worked overtime, including evenings and weekends due to timetable demands.
Monitor costs, timescales and resources used to achieve customer's desired timetable.

SKILLS

- * Consistent - Reliable transportation.
Punctual.
Determined character.
- * Flexibility - Available to work weekends.
Available to work extended hours.
Limited stick and MIG welding experience.
Quick learner.
