

RANDY ARNOLD

6231 West Ward Unit 16, Houston, TX, 77081 Phone (832) 646-9460 delanta10@gmail.com

Personal Profile

Personal Goal: Seeking a challenging full-time position in the field of Combo Welding where my experience and education will be fully utilized.

Experience:

- More than three years of Industrial Maintenance related experience in Welding, Installing 420 AC Motors, Electrical Trouble Shooting, Panel Board Wiring, transformers installation, Electrical Schematic Reading, and quality assurance control inspection for Machinery.
- Able to use and have my own electrical testing instruments, power hand drills, grinders, gear pullers, pipe tools, miscellaneous hand tools, material handling equipment, and able to use soldering equipment.
- Familiar with pipe manufacturing equipment, including furnaces, punches, presses, pipe conveyers, cooling lines, hydraulic and pneumatic systems.
- Safety oriented in taking precautions to minimize accidents.
- Troubleshoot problems quick and efficiently to minimize production delays.
- Able to read prints and wiring diagrams as well as read and interpret Electrical measuring equipment.

Education

High school graduate 2007, NCCER Certified for Industrial Electrical maintenance December 2009
