Career Objectives

To obtain full-time employment in the Dallas/Fort Worth region.

Summary of Qualifications

Hardworking, results-oriented Team Member with 29 years experience in the automotive industry. Self-motivated member of award-winning teams, committed to world-class quality with an emphasis on customer satisfaction.

Work History

General Motors Corp, Arlington, Texas
Autoworker

Sep 08, 1977 - Aug 07, 2006

All phases of automotive assembly, including electronic components. Trained in quality control including QS9000, ISO1401-1403. Also trained and proficient in material handling including fork truck, loading and unloading trucks, containers, and rail cars. I have training in TEAM CONCEPT, Problem Solving, Work Place Organization, and Global Manufacturing. I have over 5 years experience in Quality and Reliability in which I inspected and audited final line vehicles, analyzed data to determine appropriate action to ensure quality standards were met. I also collaborated with department coordinators to track, trace, and eliminate quality-related issues.
