Order Filler's Adage: "Keep stocking until the emptiness is gone"

Carpenter's adage: "Measure twice, cut once."

Electrician's adage: "Do it once; do it correctly."

Contractor's adage: "The buck stops here . . . after the material yard, the city office, the laborers, the subs, the bank, the government,"

*** Volunteered for my brother's Electrical Contracting Business, Hertz Electric, as needed.
