OBJECTIVE

To advance my career in welding and metal fabrication and be an asset to any job and or team I am apart of. Im a farm boy so I have an impeccable work ethic. Other skills and knowledge acquired on the farm include basic diesel evaluation and repair. I also have forklift experience and heavy equipment experience. I can properly discern problems and adress them thoroughly to acquire a valid solution. I wish to advance my career and knowledge to its utmost potential. To adhere to my christian values in everyday life and work as well including honour honesty and respect for authority.

EDUCATIONAL & PROFESSIONAL QUALIFICATION

Hs diploma, under Wulf academy home school in May 2009 with 90.0 %

Welding tech , under Brooks trade center in May 2009 with 90.0 %
