

Roha Seyoum

620 Sheridan Street Apt #506 | Hyattsville, MD 20783 | 202-644-6966 | roha_mes@yahoo.com

OBJECTIVE

Seeking an environment in which I can contribute to the team and organizational mission by applying those skills and techniques which I have mastered through my educational and professional career.

Summary Skill

- Computer: Proficient with R software program, MS programs and outlook.
 - Customer service and interpersonal skills, data collection, recording, analyzing, interpret and filing.
 - Familiarity with laboratory safety principles, laboratory standard operating procedure adherence, good laboratory practice (GLP) environment.
 - Familiarity with PPE, lab safety, laboratory protocol, lab journal, SDS, SOP.
 - Knowledge of cell culture, preparation of buffer, reagents, and samples for experimental work.
 - Technical proficiency in aseptic technique, conductivity meter use, PH meter use, spectrophotometer use, gel electrophoresis, polymerase chain reaction (PCR), cloning, DNA/RNA extraction, Southern blot, northern blot.
 - Familiarity with GMP compliance, HAZCOM, and OSHA.
-

EDUCATION

National Institutes of Health (NIH)/FAES **Bethesda, Maryland** May 2014
Junior Scientist Training Program (Bio trac-Biotechnology training)

University of Stockholm (SU) **Stockholm, Sweden** June 2011
Master's Degree in Biology
Thesis Project: Investigation of the Immune Response of Animals
GPA: 3.12

University of Addis Ababa (AAU) **Addis Ababa, Ethiopia** August 2007
Bachelor Degree in Applied Biology
Thesis Project: Microbiology of Milk and Spoilage Prevention
Minor: Chemistry
GPA: 3.29

EXPERIENCE

Pacific Institute for Research and Evaluation (PIRE) **Calverton, Maryland** May 2013-
Dec 2013

Data Collector (Research Assistant)

- Data collection, archiving, and reporting for public health project focused on different states of American population.
 - Passive alcohol sensor (PAS) reading
 - Administration of personal breath test (PBT)

- Collection of biological specimens: oral fluid and expired breath for alcohol and drug analysis
- Participant incentivisation and determination of participant impairment

Hawk Mountain Sanctuary **Orwigsburg, Pennsylvania** March 2012- July 2012
Conservation Scientist Intern

- Identification and migration counting of migrating raptor population.
- Population data tabulation and reporting.
- Facilitation of public raptor education.
- American Kestrel Research Project support:
 - Nest box inventories, including banding, age and sex determination.

University of Stockholm **Stockholm, Sweden** October 2010- September, 2011
Research Laboratory Technician

- Creation of native-like environment inside enclosures for rearing animals
- Organization of flight cages for mating and oviposition.
- Study of butterfly eggs and larvae in divergent artificial environments
 - Collection of sex characterization data, and population metrics
- Preparation of reagents and standards for laboratory procedures
- Examination of immune response and PO (Phenoloxidase) using spectrophotometer and analysis
- Laboratory data collection and analysis

Gipson Youth Academy **Addis Ababa, Ethiopia** August 2008-December 2008
Instructor

- Teacher: primary school students
 - Curriculum and lesson plan development
 - Weekly class assessments
 - Field trip and cultural trip organization
 - Individual student mentoring and tutoring

Addis Maternity and Children Hospital **Addis Ababa, Ethiopia** July 2004-August 2008
Assistant Laboratory Technician

- Biological specimen receiving, labeling, logging, and tracking
- Organization of hospital laboratory benches and laboratory equipment
- Laboratory equipment repair and replacement coordination

Ethiopia health and nutrition research institution (EHNRI) **A.A, Ethiopia** April 2004-July 2004

Volunteer: Bacteriology Research Laboratory Section

- Laboratory support: weighing, mixing compounds, and preparing media for daily research work.
 - Organization of laboratory equipment and benches.
-

PROFESSIONAL CERTIFICATIONS AND TRAINING

National Institutes of Health

May 2013

- Certificate: Human Participant Protections Education for Research Teams
- Certificate: Human Subject Protection Training
- Certificate: Financial Conflict of interest

Hawk Mountain Sanctuary

July 2012

- Certificate of conservation science
