Work Experiences

Junior Chemist

01/2014-04/2014 Easterly Research, LLC

Conducted and completed experiments of various resins and caulking materials under direction from Senior Chemists

Package Handler

12/2013-12/2013 Kelly Services, Inc

Assisted in unloading and sorting of various freight at FedEx's PHL warehouse

Clerk

12/2011-08/2012 Pennsylvania Liquor Control Board

Responsible for storefront point-of-sale purchases, customer service, stock, and general store maintenance in several *Fine Wines & Good Spirits* locations throughout the metro-Philadelphia area

Graduate Research Assistant

2010-2011 Ohio State University: Department of Chemistry

Executed several multi-step syntheses of organic compounds and organometallic catalysts

Graduate Teaching Assistant

2009-2010 Ohio State University: Department of Chemistry

Monitored and assisted undergraduate students with laboratory coursework for organic and general chemistry curricula

Graded students' quizzes and lab notebook content as directed by lead course instructor

Undergraduate Teaching Assistant/Tutor

2007- 2009 Pennsylvania State University: Department of Chemistry

Oversaw and maintained Spectroscopic Instrumentation lab for organic chemistry students & provided nightly tutorial assistance to students taking introductory general and organic chemistry courses

Laboratory and Technical Expertise

Proven ability to work efficiently with minimal supervision

Experience preparing and characterizing various moisture and air sensitive chemicals

Proficient at chromatographic separation methods including TLC, GC/GC-MS, and HPLC as well as other physical separation techniques

Skilled at performing spectroscopic analyses using general academic methods including infrared, nuclear magnetic resonance, and UV-Vis

Experience utilizing literature search software including Scifinder Scholar and Reaxys (Crossfire) as well as referencing compilers

Quickly learns and performs precise, nuanced procedures

Experience utilizing commercial and open access word processing, data entry, and presentation software packages across multiple operating system(OS) platforms including Windows, MacOS, and Linux/Unix especially Microsoft Excel, PowerPoint, Adobe Acrobat & Photoshop

Education and Certifications

2009 Pennsylvania State University, University Park, PA

Bachelors of Science in Chemistry with a minor in French and Francophone Studies
