OBJECTIVES

- Thorough experience as lab teacher's assistant
- Well experienced in jobs throughout chemistry department
- Proficient in Microsoft Word, PowerPoint, and Excel
- Beginner level programming in Python Perl, RasWin, and Pymol
- Knowledgeable in Adobe Photoshop
- Intermediate Spanish speaker and writer
- Intermediate American Sign Language speaker
- Recipient of the Whitworth Academic Scholarship

EDUCATION

- Bachelor of Science in Chemistry Whitworth University May 2015
 - Concentration: Biochemistry track
 - Cumulative GPA: 3.3
 - Select coursework: Bioinformatics, Spectroscopic Analysis, Molecular Genetics, Microbial Physiology
- Multicultural experience: Spent a month in the United Kingdom studying the history of Christianity

EXPERIENCE

- Supplemental Instructor of General Chemistry Aug 2012-Dec 2012
- Whitworth University Chemistry Department Aug 2014-Dec 2014
 - Helped general chemistry students with homework, tests, and studying habits in order to increase scores and understanding of the material
- Research experience Jan 2014-May 2014
Whitworth University
 - Worked with sucralose and various nucleophiles to investigating the chemical response within the body
- Teaching Assistant for General and Organic Chemistry Jan 2013-May 2014
Whitworth University Chemistry Department
 - Worked alongside professor to help chemistry students in their laboratory experience
 - Duties included distributing chemicals, handling waste containers, and operating various equipment
- Instrument Assistant Jan 2013-May 2013
Whitworth University Chemistry Department Jan 2015-May 2015
 - Undertook responsibility of the Nuclear Magnetic Resonance (NMR) machine, including weekly liquid nitrogen refills and testing to ensure full functionality
- Stockroom Worker Aug 2012-Dec 2012
Whitworth University Chemistry Department
 - Handled entire supply of chemistry glassware and equipment through distribution to students of various levels
 - Created a database program to help inventory stockroom
- Solutions Preparation Worker Jan 2015-May 2015
Whitworth University Chemistry Department
 - Prepared stock solutions, managed waste, and set up laboratory supplies for chemistry courses
- Additional work experience:
 - Banana Republic Factory Store Sales Associate Aug 2010-Aug 2012
 - Jefferson County Public Schools Custodial Worker May 2014-Aug 2014
