

EMPLOYMENT

Science Writer	Daily Digest News & Science Recorder, KPR Media	2014 – Pres
Preparation of interesting, informative health and science news reports for all audiences. Online at dailydigestnews.com .		
Contributor	I Need Politics	2014 – Pres
Preparation of interesting, compelling opinion articles for all audiences. Online at www.tonyalexio.com .		
Advisory Board Member & Contributor	Youth Fitness Council	2013 – Pres
Provide professional advising and consultation; contribute informative articles for lay readership. Online at youthfitnesscouncil.com .		
Staff Writer	The Med Writers, Inc.	2013 – Pres
Preparation of informative, scholarly reports for lay and technical audiences. Predominantly for online publication clients.		
Independent Consultant	Individual Private Research Contractor	2012 – Pres
Provide mass-spectrometry-based metabolomics data analyses; report preparation; review-writing; project planning, execution, and evaluation. Academic and government clients.		
Tutor & Instructor	StudyPoint, Inc.; Oxford Academy of Annandale	2010 – Pres
Provide structured, individual SAT and academic subject tutoring to high school students. Created and instructed custom courses in science career development; supervised science projects; coached projects submitted to the Young Naturalist Award competition. Junior high and high school students.		
Research Assistant Professor	Georgetown University Medical Center	2009 – 2012
Designed, executed, evaluated experimental protocols & data analysis workflows; supervised research staff, graduate and summer students; grant-writing; drafted manuscripts, managed large datasets; prepared and deliver oral presentations.		
Cancer Prevention Fellow	National Cancer Institute	2004 – 2009
Competitive Postdoctoral Training fellowship in the NCI, NIH. Duties included design and execute mentored research, maintain lab animal population, keep detailed records, write reports and manuscripts, maintain equipment and facilities.		
Graduate Teaching Assistant	University of Kansas	1995 – 2004
Taught lower and upper level undergraduate biology, physiology, and neuroanatomy. Designed and revised course materials and assisted with program management. Also served as exam proctor and grader.		
Undergraduate Research Assistant	Kansas State University	1989 – 1992
Bovine Research Center. Duties included beef animal husbandry, facility operations and maintenance, skidsteer loader operation, heavy farm equipment operation, calculation, preparation, dispensing of feed rations.		
Part-time & Summer Work Experiences	Various	1981 – 1995
Commercial construction labor; area farm work since age of 11, summers and weekends. Duties and skills widely varied.		

EDUCATION

Master of Public Health (MPH)	Johns Hopkins University	2005
Environmental & Occupational Health Program, emphasis on epidemiology, biostatistics, and biomarkers. Thesis Title: <i>SEER-based study of primary central nervous system lymphoma incidence from 1989 to 2003.</i>		
Doctor of Philosophy (PhD)	University of Kansas	2004
Physiology & Cell Biology, extensive coursework in neuroscience. Dissertation Title: <i>Single-cell RT-PCR reveals differential expression of thromboxane A₂ receptor mRNA in rat sensory neurons.</i>		
Bachelor of Science (BS)	University of Kansas	1995
Organismal Biology, honors physics I and II, and extensive coursework in mathematics.		

TECHNICAL SKILLS & EXPERIENCE

Scientific: Expert in biomarker discovery and validation, HPLC/UPLC, mass spectrometry, metabolomics, animal models, environmental and occupational health. Competent in epidemiology and biostatistics.

Computational: Command of statistical analysis, epidemiological methods, multivariate data analysis, wide variety of office, utility, statistical, creative, analytical and graphing software packages and suites.

Instruction: Command of teaching variety of subjects in the classroom, to small groups, or individually. Ability to design teaching curricula and materials for semester-long courses. Strong ability to communicate ideas effectively.

Personal: Punctual, responsible, observant, enthusiastic, amiable, and respectful. I work very well with others, and I am detail- and goal-oriented. I take pride in my work, great and small, and I stand behind my results.
