**Nov. 16, 2001 –
Aug. 13, 2013**

**Clark County Nevada Department of Air Quality and
Environmental Management (Las Vegas, NV)**

Air Quality Technician II –

Operate, maintain, repair, and install micro-processing equipment including C-14 and K-85 monitoring equipment for atmospheric monitoring in accordance with EPA requirements

**Aug. 15, 1994 -
Nov. 13, 2001**

EG&G Technical Services (Las Vegas, NV)

Electronics Technician III–

- Installed, repaired, performed troubleshoot, tested, modified and overhaul electronic equipment
- Operated and maintained a wide variety of electronic equipment and related devices
- Prepared and monitored documentation control and report generation

**Oct. 22, 1984 -
Nov. 19, 1993**

United States Navy (Various bases)

Missile Technician First Class –

- Tested, operated, repaired, and maintained ballistic missile fire control systems and extensive related equipment
- Maintained a database of over 300 technical manuals
- Scheduled and coordinated divisional maintenance and watch standing operations
- Served as team trainer instructor in classroom and laboratory environments
- Implemented formal training in simulated shipboard environment
- Supervised a crew of 12 technicians

FORMAL EDUCATION

2000-2001

Community College of Southern Nevada (Las Vegas, NV)

SPECIAL TRAINING

- **Strategic Weapons Systems Electronics**
- **Servo Group Systems**
- **Digital Control computer Equipment**
- **Multiplexed Equipment**
- **Inertial Platform Positioning**
- **Optical alignment Equipment**
- **Power Supply Monitoring**
- **Digital Transmitter & Receivers**
- **Magnetic Disk File Subsystem**
- **Non-routine Maintenance**
- **Missile Test readiness Equipment**
- **Naval Leadership Development Program**
- **Oxygen Clean Worker**
- **Administrative/Materials Management**
- **Quality Assurance Inspector**
- **Group Pace Instructor**
- **Integrated Supply Management**

AWARDS

Several Letters of Commendation and Achievement Medals
