Dear Ladies/Gentlemen:

Please accept this letter as expressed interest in a position as an **ENVIRONMENTAL HEALTH & SAFETY TECHNICIAN** with your company. My résumé is enclosed for your review and consideration.

I have excellent qualifications to bring to this position, including over 15 years of strong and diverse experience in **ENVIRONMENTAL HEALTH & SAFETY**, involving hazardous waste handling, labeling, securing, and disposal, large- and small-quantity waste generators, asbestos remediation, inspections, field testing and analysis, storm water/groundwater sampling, regulatory compliance, documentation, safety, clean/sterile room environments, storage tanks, well installations and abandonments, troubleshooting and problem-solving. I am a dedicated, detail-oriented, reliable and adaptable self-starter with excellent communication skills, capable of working independently and in a team setting. I offer proven abilities which I believe qualify me to be a significant asset to your organization.

I look forward to discussing these and other qualifications I offer during a personal or telephone interview at your earliest convenience.

Thank you for your time and consideration.

Respectfully,

Scott C. Campbell

Enclosure
