DARRYL C. PERRY

OBJECTIVE To obtain an entry level position to further my career.

SKILLS & ABILITIES In my employment history I have met or exceeded all performance goals, demonstrated ability to meet needs of patrons, received certificates in Core Curriculum of construction and Iron and Rebar.

EXPERIENCE **PEST CONTROL/ ROUTE DRIVER, ENVIROMENTOL HOUSTON, TX**

August 2014- October 2014

My job duties included taking daily routes to several different apartment complexes, where upon arrival I was given several apartment units to either apply bait for pest, spray or set and/or rest traps for pest.

CARPET TECH/ ROUTE DRIVER, SEARS CARPET & UPHOLSTERY HOUSTON, TX

January 2014-August 2014

My job duties included taking daily routes to costumer's homes to perform the jobs they requested. My duties included setting up the company van with materials needed for jobs on a daily basis, figuring out the right products to use in each individual home, shampoo their carpets or clean tile and grout.

PIPE FITTER &GENERAL LABOR, HOUSTON RAPID TRANSIT JV HOUSTON, TX

April 2011-January 2014

My job duties included assisting the Forman in daily take 5, JFJ, analyzing blueprints. Installing pipes, manholes and inlets. During my employment here I received safety training and certificate in traffic control and flagging.

ASSISTANT MANAGER, CAR BUTLER INC; HOUSTON, TX

June 2010-April 2011

As manager I had the task of greeting customers and offering them detail cleaning services, while working in a fast paced environment. I also managed a 5 member crew, ensuring that they were giving great customer service.

FOUNTAIN TECH, TDI INDUSTRIES INC HOUSTON, TX

SEPTEMBER 2009-MAY 2010

I had duty of maintaining many fountains in the downtown Houston area. Some of the duties included checking the psi levels, checking water levels, making sure the insides and outsides of the fountains were clean, changing any leaking pipes, and checking the motor to name a few.

DETAIL ASSOCIATE, CAR BUTLER HOUSTON, TX

MARCH 2008-SEPTEMBER 2009

At this company I had the duties of completing the customer's detailing of their cars, parking customer's cars, and hand delivering the keys to the customers.

WAREHOUSE, BLACKMON MOORING HOUSTON, TX

SEPTEMBER 2007- MARCH 2008

My duties at this job included moving furniture from displaced families homes, where upon removing furniture I then sorted the furniture into boxes, labeled contents so that they can go to the correct department in the warehouse.
