Biblical Translation Projects, North Clackamas Bible Community, (NCBC), Portland, Oregon, 1985 to present

- Biblical Background Studies
- Biblical Exegesis
- Biblical Language studies sufficient to use available exegetical resources

as Exegetical advisor & Team Member at NCBC

participated in Translation projects with sacred texts involving special challenges. Exegetical advisors have in-depth knowledge of the source text and languages. (Koine Greek, Masoretic Hebrew). They make sure the source text meanings are clearly understood throughout the translation process. Exegetical advisors must have completed advanced studies in one or more biblical languages. They must also have extensive exegetical studies.
