WELDER

- I'm 22 years old, looking to start my own fabricating welding company. but I am interested in learning and becoming more skilled in my career I have 7 years of experience. I started when I was 16 welding with my uncle at Tinman enterprises and I have enjoyed it every since.
-
- I have both experience in the field and in a shop. I can read blueprints and tape measure, and very skilled with all hand tools,power tools and pneumatic tools. I have all my ppe including, safety glasses, boots,gloves and welding hood and basic hand tools.
