2024-07-05 19:55:12	4SS - Medical Oncology	Crystal Brown	Other	I want to give a shout out to our CNA McKinzi today, she was the only CNA on the floor, all the nurses were at 6 patients and she did such an amazing job. She gave such passionate care to the patients. I know it was difficult for her due to the acuity of the patients but she didn't complain and she rocked it. She made the nurses day go more smoothly and was such an amazing team player.
